TO WHOM IT MAY CONCERN

Dear Mr Oakley

I am aware that you are about to open another supported accommodation service and am writing this letter as a form of testimonial.

I can confirm that I am the Team Leader of Lambeth Community Forensic Team and have been a part of this team since 2018.

I can confirm that for many years you have provided and continue to provide supported accommodation for service users who receive community mental health support from the Lambeth Community Forensic Team.

I am confident that you will be able to provide similar quality service at the new project you are opening at 63 Tankerville Road, London SW16.

My best regards to you,

*Jon Lewis*
